

DISCOVER HOKKAIDO!

THE JAPAN YOU HAVEN'T SEEN YET!

A Friendship Force International Exchange — September 19-29, 2008

This unique opportunity is limited to 19 persons. Act soon to hold your place on our exciting visit to Hokkaido, Japan's northernmost, second largest and least known island.

- Enjoy three nights home hosting and hospitality in Sapporo
- Tour beautiful national parks throughout the Island including Shiretoko (a World Heritage Site), Akan and Shikotsu-Toya.
- Visit the old port city of Otaru with its striking converted stone and brick-built warehouse shopping area alongside a broad canal; When night falls, oil lamps are lit!

Hokkaido remains largely undiscovered despite its lush mountain scenery and incredible natural hot springs. Both are features in this program which starts off with greetings and home hospitality in the capital city – Sapporo.

After three nights home hosting arranged by The Friendship Force of Sapporo, the exchange continues with a seven night bus tour visiting national parks and major cities in lovely settings. We'll look for wildlife in the parks, have an opportunity to experience the hot springs, and may even see the start of fall colors at the higher elevations!
